At Better Than Home, we are invested in your success

When you operate a home daycare, not only do you provide an **essential service** to families in your community, you also operate your own **small business**.

Better Than Home Daycare Agency can help you set up your daycare, place your **first child**, and provide you with **ongoing support** as a licenced home daycare.

Why start a home daycare?

- 🍃 Self-employment
- 🍃 Operating a business from your home
- 🍃 Providing an essential service in your community

Better Than Home can help you effectively set up:

- 🍃 Meal planning and budgeting
- 🍃 Training and certification
- 🍃 Mandatory inspections
- 🍃 Taxation and insurance
- 🍃 Toys and equipment

Why should you become a Licenced Home Daycare Operator with Better Than Home?

- ✔ Legal ability to care for an additional sixth child
- ✔ Administrative support: Ongoing support in ensuring that your documentation and standards are in order
- ✔ Pedagogical support: We will help you design your own approach to childcare that aligns with provincial standards
- ✔ Help in placing children: while Better Than Home will help you find children if you need, there is no obligation to use this service
- ✔ The ability to operate in your native language
- ✔ Access to a community of experienced and engaged childcare providers with years of experience

At Better Than Home, we know the **skill, dedication,** and **expertise** it takes to run a successful home daycare that delivers **high quality care**. Our agency strives to **recognize** that excellence and **support our providers** in learning in their field and earning a living for their families.
